

MOORE STEPHENS

Audit & Assurance Services

challenging expectations

AUDIT AND ASSURANCE SERVICES

Auditing is a highly complex process, and the importance of auditors as a vital link in the financial reporting chain has never been more important, nor their role as trusted advisors more valued.

Moore Stephens provides a range of audit services to assist clients in achieving their business objectives, managing their risk and improving their business performance. We provide a cost effective audit that is tailored to meet the individual needs of our clients.

Moore Stephens are a fully compliant JSE registered mid tier accounting and auditing firm that offers absolute adherence to stringent levels of service and compliance

to regulations. We are also approved to perform USAID audits and through our extensive national presence can offer a top-class multi-national audit service.

As a provider of auditing services, Moore Stephens remains a neutral service provider to our clients. We believe that the key to a valuable compliance service is the strength of the relationship between you and our service team. This enables our work to be thoroughly and accurately planned and tailored to your specific needs.

This enables our work to be thoroughly and accurately planned and tailored to your specific needs.

The increased regulatory pressures in today's business environment calls for a multi-disciplinary team of audit professionals. Accounting disclosure requirements means that you need access to a team of professionals that can effectively guide you on a course of good governance and corporate responsibility.

Our expert sustainability reporting can assist your reporting in terms of the United National Global Compact.

At Moore Stephens, we understand the lifecycle of a business, from start-up, through listing, to becoming a multi-national corporation, and can guide you on your path.

It makes perfect business sense.
