

MOORE STEPHENS

Tax Compliance & Planning Services

challenging expectations

TAX COMPLIANCE AND PLANNING SERVICES

Given the ever-increasing complexities of income tax legislation in South Africa, and the severe penalties imposed on tax payers that fail to meet their tax obligations, tax compliance is always a top priority - a critical business imperative that demands your attention.

Moore Stephens offers a comprehensive solution to manage your risks effectively through streamlined processes, accurate information systems and ongoing controls and management. Moore Stephens provides solutions & advice for multinationals, corporates, employers, trusts and employees within a comprehensive service offering.

WHAT MAKES MOORE STEPHENS TAX COMPLIANCE AND PLANNING SERVICES YOUR COMPREHENSIVE SOLUTION?

- SARS Non-binding opinions
- Capital gains tax
- South African expatriate tax
- Anti-avoidance provisions
- SARS Advanced tax rulings
- Employee compensation methodology
- Tax opinions
- Estate tax planning
- Employee and personal tax planning
- Share incentive planning
- Tax compliance services:
- SARS voluntary disclosures
 - Completion of tax returns
 - Completion of provisional returns
 - Checking of assessments

Moore Stephens will assist your organisation in formulating an appropriate and cohesive tax strategy and policy that is aligned with your overall business strategy, taking you from a reactive tax approach to a proactive one.

It makes perfect business sense.
